POLICE CB-750P

Powerful, Reliable 4-Stroke Engine

Any police department will benefit from equipping its patrolmen with these superior Honda 750cc police motorcycles. Designed especially to meet the needs of modern law enforcement agencies, these vehicles are particularly recommended for their high reliability, long life with a minimum of maintenance, and economical operation. Fitted with special police equipment, these motorcycles also feature easy and safe operation, ideally placed controls, electric starter, hydraulic front disc brake, and hours long non-bring riding comfort. Suspension is by telescopic front fork and rear swinging arm. Turn signal lamps, rear view mirrors and high speed tires are included. These motorcycles will increase the efficiency of patrol operations many times, and lower costs as well. The Honda CB-750P has a 67 horsepower 4-cylinder 4-stroke engine and a 5-speed transmission. The top speed is in the 150 km/h (110 mph) range, and acceleration from a stop or slow speeds is especially quick. With the smooth, vibrationless engine and strong torque at low engine speeds, slow to moderate speed city cruising is possible without overheating or undue rider fatigue.
